

12 Habits 4 All of Us

Mobilizing Unity, Civility, and Citizenship.

“Over the years, the 12 habits movement has positively inspired several million citizens in western Pennsylvania, the eastern panhandle of West Virginia, and was sponsored by Rotary International in post-genocide Rwanda. Community surveys showed that in less than two years in a 12 habits community-building climate, 72% of the citizens felt more “connected” and 39% reported they had acted with more civility at least once.”
