

# "CARING COLOR" SPECS

Participating CHAP schools may want to produce internal documents, (such as lunch schedules and parent memos) on colors and with information that support the Caring Habit of the Month Adventure in school. Below are the suggested paper and color recommendations to use as "color ques" to remind us of the monthly "Caring Habit." Your local Kinko's® Print Shop should have the suggested paper colors readily available or you may find other brands you can use with colors that are similar.
